The Playwright at Work: Conversations Rosemarie Tichler, Barry Jay Kaplan

Rosemarie Tichler and Barry Jay Kaplan take us behind the scenes in conversations with thirteen of today's most distinguished playwrights, including Tony Kushner, John Guare, Wallace Shawn, Suzan-Lori Parks, David Henry Hwang, and Sarah Ruhl. To familiarize the reader with the world of each playwright, Tichler and Kaplan introduce us to the environments in which the work happens, conducting their interviews in the playwright's home, a dark theater, or a coffee shop. Topics of conversation range from the playwrights' earliest memories of the theater to finding their unique voices, and from their working relationships with directors, actors, and designers to their involvement in the purely commercial aspects of their profession. Taken together, these conversations constitute a collectively taught master class in the art and craft of writing for the stage.
