Wiser in Battle

Ricardo S. Sanchez, Donald T. Phillips

Wiser in Battle Ricardo S. Sanchez, Donald T. Phillips

En medio de las críticas a la guerra de los Estados Unidos en Irak, una voz esencial ha permanecido en silencio. . . hasta ahora

En su revolucionaria historia, *En tiempos de guerra*, el Teniente General Ricardo S. Sanchez, ex comandante de las fuerzas de coalición en Irak, nos trae un informe desde la línea de fuego de la guerra global contra el terrorismo. Aquí nos presenta una investigación exhaustiva y escalofriante de los históricos errores garrafales de los Estados Unidos en materia militar y de política exterior.

Basándose en su permanencia en la zona de conflicto, Sanchez nos brinda una franca descripción del caos en el campo de batalla en Irak, producto del desacertado manejo del ejército por parte de la administración de Bush, así como su propia lucha para colocar a la coalición en el camino hacia la victoria. Sanchez saca a la luz las consecuencias de la interrupción en la comunicación entre el mando en el frente de batalla y los políticos en Washington, revelando discusiones polémicas que mantuvo con, entre otros, el Embajador Paul Bremer y el Secretario de Defensa Donald Rumsfeld.

Además, Sanchez comparte la historia de su carrera. Cuenta su trayecto desde su juventud pobre a orillas del Río Grande en Texas hasta su incorporación al Cuerpo de Entrenamiento de Oficiales de Reserva a los dieciséis años su posterior servicio en Kosovo, las operaciones Escudo del Desierto y Tormenta del Desierto y, finalmente, Irak. Cuando se retiró, Sanchez era el hispano de mayor rango en el ejército de los Estados Unidos.

Como primer libro escrito por un ex-Comandante apostado en Irak, *En tiempos de guerra* es de lectura obligatoria para todo aquel que desee entender la guerra actual y el rol del ejército de los Estados Unidos en el nuevo siglo.
