## **A Fine Romance** Candice Bergen

In this *New York Times* bestseller, acclaimed actress Candice Bergen “shows how to do a memoir right...The self-possessed, witty, and down-to-earth voice that made Bergen’s first memoir a hit when it was published in 1984 has only been deepened by life’s surprises” (*The New York Times Book Review*).

“Candice Bergen is unflinchingly honest” (*The Washington Post*), and in *A Fine Romance* she describes her first marriage at age thirty-four to famous French director Louis Malle; her overpowering love for her daughter, Chloe; the unleashing of her inner comic with *Murphy Brown*; her trauma over Malle’s death; her joy at finding new love; and her pride at watching Chloe blossom.

In her decidedly nontraditional marriage to the insatiably curious Louis, Bergen takes readers on world travels to the sets where each made films. Pregnant with Chloe at age thirty-nine, this mature primigravida also recounts a journey through motherhood that includes plundering the Warner Bros. costume closets for Halloween getups and never leaving her ever-expanding menagerie out of the fun. She offers priceless, behind-the-scenes looks at *Murphy Brown*, from caterwauling with Aretha Franklin to the surreal experience of becoming headline news when Dan Quayle took exception to her character becoming a single mother. Bergen tackles familiar rites of passage with moving honesty: the rigors of caring for a spouse in his final illness, getting older, and falling in love again after she was tricked into a blind date.

By the time the last page is turned, “we’re all likely to be wishing Bergen herself—funny, insightful, self-deprecating, flawed (and not especially concerned about that), and slugging her way through her older years with bemused determination—was living next door” (*USA TODAY*).

#### **Crystal Thomas:**

As a college student exactly feel bored to be able to reading. If their teacher inquired them to go to the library as well as to make summary for some book, they are complained. Just little students that has reading's spirit or real their passion. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this A Fine Romance can make you really feel more interested to read.
