**Business Clusters: An International Perspective (Routledge Studies in Business Organizations and Networks) Martin Perry**

Clusters of specialized businesses are being promoted around the world, aided by high-profile examples such as Silicon Valley.

Using evidence from high- and low-income economies, as well as detailed case studies that show the special conditions behind successful clusters, this book provides a new vantage point on this high-interest topic, making it ideal for students of business location, policy-makers and managers seeking a real-world understanding of clustering.
