The Road from the Past

Ina Caro

The Road from the Past Ina Caro

The Road from the Past is a unique new way of looking at France, looking at history, and looking at travel. In it, Ina Caro takes us on an unforgettable tour of France, traveling north through its beautiful regions and chronologically through its colorful history.

We start in Provence, where the Roman Empire held sway, and then go to Languedoc to visit the sites that marked the Age of Faith following the Empire's fall. Next is the Dordogne, where we experience the feudal Middle Ages, from Charlemagne and the Age of Chivalry to the life of Joan of Arc. Continuing north, we come to the château-studded Loire Valley, "the Valley of Kings," where monarchs and nobles, as well as their charming mistresses, plotted for wealth and power. Finally, we reach the Île-de-France, surrounding Paris, where Louis XIV solidified his autocratic and imperialistic reign—as did Napoleon a century later

With Ina Caro as an epicurean, knowledgeable, and delightfully opinionated guide, we can always be sure to find the most breathtaking vistas, the most extraordinary châteaux, the most inspiring cathedrals, the best meals. *The Road from the Past* takes us to where history unfolds—and then to a favorite spot for a picnic or a five-course dinner.
