## #1 Secret Diary (Lou!) Julien Neel

Meet Lou! She's hardly your average 12 year old. Her handmade outfits are the talk of the school (even though they make the other girls laugh), and her homework gets a lot of attention from her teachers (even though it lands her in the shrink's office). Home sweet home is an apartment she shares with her couch-potato mom and a cat named Cat. At least she can pour her heart out to her best friend, Mina, and scribble her dreams in her secret diary.

Now that she's almost a teenager, Lou's life is becoming even more interesting. Playing with dolls has lost its appeal and the boy across the street gets cuter every day. The new neighbor, Richard, just might be the perfect match for Lou's mom. But will Lou or her mom ever pluck up their courage and actually talk to their crushes?
