Beyond Rosie: A Documentary History of Women and World War II

Julia Brock, Jennifer W. Dickey, Richard Harker, Catherine Lewis

Beyond Rosie: A Documentary History of Women and World War II Julia Brock, Jennifer W. Dickey, Richard Harker, Catherine Lewis

More so than any war in history, World War II was a woman's war. Women, motivated by patriotism, the opportunity for new experiences, and the desire to serve, participated widely in the global conflict. Within the Allied countries, women of all ages proved to be invaluable in the fight for victory. Rosie the Riveter became the most enduring image of women's involvement in World War II. What Rosie represented, however, is only a small portion of a complex story. As wartime production workers, enlistees in auxiliary military units, members of voluntary organizations or resistance groups, wives and mothers on the home front, journalists, and USO performers, American women found ways to challenge traditional gender roles and stereotypes.

Beyond Rosie offers readers an opportunity to see the numerous contributions they made to the fight against the Axis powers and how American women's roles changed during the war. The primary documents (newspapers, propaganda posters, cartoons, excerpts from oral histories and memoirs, speeches, photographs, and editorials) collected here represent cultural, political, economic, and social perspectives on the diverse roles women played during World War II.

From reader reviews:

Virginia Villalon:

Do you certainly one of people who can't read enjoyable if the sentence chained inside the straightway, hold on guys that aren't like that. This Beyond Rosie: A Documentary History of Women and World War II book is readable simply by you who hate the straight word style. You will find the info here are arrange for enjoyable looking at experience without leaving actually decrease the knowledge that want to deliver to you. The writer involving Beyond Rosie: A Documentary History of Women and World War II content conveys the thought easily to understand by most people. The printed and e-book are not different in the information but it just different in the form of it. So , do you continue to thinking Beyond Rosie: A Documentary History of Women and World War II is not loveable to be your top collection reading book?

Ashley Williams:

Reading a guide tends to be new life style in this particular era globalization. With studying you can get a lot of information which will give you benefit in your life. With book everyone in this world can easily share their idea. Books can also inspire a lot of people. Lots of author can inspire their reader with their story or even their experience. Not only the storyline that share in the publications. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors in this world always try to improve their ability in writing, they also doing some investigation before they write to their book. One of them is this Beyond Rosie: A Documentary History of Women and World War II.

Michael Mitchell:

Spent a free the perfect time to be fun activity to try and do! A lot of people spent their sparettime with their family, or all their friends. Usually they accomplishing activity like watching television, planning to beach, or picnic inside the park. They actually doing ditto every week. Do you feel it? Do you want to something different to fill your own personal free time/ holiday? Might be reading a book may be option to fill your free time/ holiday. The first thing you ask may be what kinds of publication that you should read. If you want to test look for book, may be the publication untitled Beyond Rosie: A Documentary History of Women and World War II can be fine book to read. May be it is usually best activity to you.

Michael Wheeler:

Exactly why? Because this Beyond Rosie: A Documentary History of Women and World War II is an unordinary book that the inside of the publication waiting for you to snap it but latter it will zap you with the secret it inside. Reading this book beside it was fantastic author who all write the book in such wonderful way makes the content interior easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This phenomenal book will give you a lot of gains than the other book include such as help improving your ability

and your critical thinking technique. So , still want to delay having that book? If I ended up you I will go to the publication store hurriedly.
