Come and join Bindi Irwin on her next wildlife adventure!

At very short notice, the Irwins are called on to run an ecolodge in Madagascar for a fortnight. They arrive to find the place deserted, and realise they have a lot of work to do before a bus load of American tourists arrive. Madagascar is full of the most amazing wildlife - lemurs and chameleons galore - and it doesn't take long before Bindi and Robert are on a hair-raising lemur rescue mission, which is a lot more exciting than sweeping floors and tidying beds at the ecolodge!
