Born Naked Farley Mowat

Farley Mowat's outrageous memoir begins with his unlikely conception in a canoe and continues to his boyhood fascination with creatures of the natural world and on to his youthful rambles and adventures. To his immense pleasure and his parents' dismay, he adopted various beasts (whom he affectionately calls "The Others") as roommates. In this boyhood memoir, he recounts the exploits of this second family, who have been the subjects of many of his beloved books for young readers. This is the tale of a mischievous, immensely gifted young naturalist, recounted with the wisdom, humor and grown-up perspective of a very talented writer.
