ThetaHealing®: Diseases and Disorders Vianna Stibal

The perfect reference tool for those already familiar with the step-by-step processes of ThetaHealing, *ThetaHealing® Diseases and Disorders* contains all of the Programs, Belief Systems, intuitive insights, remedies and supplements that Vianna has found to be of value for certain diseases and disorders, based on experience of over 47,000 sessions with clients. Alphabetised for quick reference, this book addresses an extensive and varied list of ailments and points the way to a revolutionary path of healing.

With growing scientific evidence that toxic emotions can contribute to disease, and increased awareness that emotions, feelings and the power of thought have a direct bearing upon our physical health, more and more people are now realising that changing how their minds influence their bodies can be of huge value in creating optimum health. This book represents a valuable contribution to the new paradigm that is emerging in the world of healing, and an attainable miracle for your life.
