#### **Joseph Nixon:**

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that examining is not important, boring in addition to can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this How to teach exercise to senior adults: Using Exercise seniorstyle

videotapes as a training guide can make you experience more interested to read.
