Leadership and Nursing Care Management

Diane Huber

Leadership and Nursing Care Management Diane Huber

Comprehensive and easy to read, this authoritative resource features the most up-to-date, research-based blend of practice and theory related to the issues that impact nursing management and leadership today. Key topics include the nursing professional's role in law and ethics, staffing and scheduling, delegation, cultural considerations, care management, human resources, outcomes management, safe work environments, preventing employee injury, and time and stress management.

- Research Notes in each chapter summarize relevant nursing leadership and management studies and show how research findings can be applied in practice.
- Leadership and Management Behavior boxes in each chapter highlight the performance and conduct expected of nurse leaders, managers, and executives.
- Leading and Managing Defined boxes in each chapter list key terminology related to leadership and management, and their definitions.
- Case Studies at the end of each chapter present real-world leadership and management situations and illustrate how key chapter concepts can be applied to actual practice.
- Critical Thinking Questions at the end of each chapter present clinical situations followed by critical thinking questions that allow you to reflect on chapter content, critically analyze the information, and apply it to the situation.
- A new Patient Acuity chapter uses evidence-based tools to discuss how patient acuity measurement can be done in ways that are specific to nursing.
- A reader-friendly format breaks key content into easy-to-scan bulleted lists.
- Chapters are divided according to the AONE competencies for nurse leaders, managers, and executives.
- Practical Tips boxes highlight useful strategies for applying leadership and management skills to practice.

From reader reviews:

Tanya Nolan:

What do you about book? It is not important to you? Or just adding material when you really need something to explain what the one you have problem? How about your spare time? Or are you busy particular person? If you don't have spare time to perform others business, it is make one feel bored faster. And you have extra time? What did you do? All people has many questions above. They should answer that question due to the fact just their can do which. It said that about reserve. Book is familiar in each person. Yes, it is appropriate. Because start from on pre-school until university need that Leadership and Nursing Care Management to read.

Melvin Smith:

Reading a guide can be one of a lot of task that everyone in the world likes. Do you like reading book consequently. There are a lot of reasons why people enjoyed. First reading a guide will give you a lot of new information. When you read a e-book you will get new information mainly because book is one of several ways to share the information or maybe their idea. Second, reading a book will make you more imaginative. When you looking at a book especially tale fantasy book the author will bring that you imagine the story how the people do it anything. Third, you may share your knowledge to other folks. When you read this Leadership and Nursing Care Management, you may tells your family, friends and also soon about yours reserve. Your knowledge can inspire the mediocre, make them reading a publication.

Edward Orr:

Why? Because this Leadership and Nursing Care Management is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will distress you with the secret the item inside. Reading this book close to it was fantastic author who also write the book in such awesome way makes the content on the inside easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of positive aspects than the other book have such as help improving your skill and your critical thinking way. So , still want to postpone having that book? If I were you I will go to the reserve store hurriedly.

Reuben Beaubien:

Reserve is one of source of understanding. We can add our understanding from it. Not only for students but native or citizen want book to know the update information of year to be able to year. As we know those books have many advantages. Beside we add our knowledge, also can bring us to around the world. With the book Leadership and Nursing Care Management we can have more advantage. Don't that you be creative people? To be creative person must want to read a book. Merely choose the best book that appropriate with your aim. Don't possibly be doubt to change your life with that book Leadership and Nursing Care Management. You can more appealing than now.
