Machiavelli: A Renaissance Life

Joseph Markulin

Machiavelli: A Renaissance Life Joseph Markulin

This epic piece of storytelling brings the world of fifteenth-century Italy to life as it traces Machiavelli's rise from young boy to controversial political thinker.

The often-vilified Renaissance politico and author of *The Prince* comes to life as a diabolically clever, yet mild mannered and conscientious civil servant. Author Joseph Markulin presents Machiavelli's life as a true adventure story, replete with violence, treachery, heroism, betrayal, sex, bad popes, noble outlaws, deformed kings, menacing Turks, even more menacing Lutherans, unscrupulous astrologers, untrustworthy dentists—and, of course, forbidden love.

While sharing the stage with Florence's Medici family, the nefarious and perhaps incestuous Borgias, the artists Leonardo da Vinci and Michelangelo, and the doomed prophet Savonarola, Machiavelli is imprisoned, tortured, and ultimately abandoned. Nevertheless, he remains the sworn enemy of tyranny and a tireless champion of freedom and the republican form of government.

Out of the cesspool that was Florentine Renaissance politics, only one name is still uttered today—that of Niccolò Machiavelli. This mesmerizing, vividly told story will show you why his fame endures.

From the Trade Paperback edition.
