## **Mudbox 2013 Cookbook** Jeremy Roland

Written in cookbook style, this book offers many recipes to learn digital sculpting with Mudbox. Each recipe contains step-by-step instructions followed by analysis of what was done in each task and other useful information. The book is designed so that you can read it chapter by chapter, or you can look at the list of recipes and refer to them in no particular order. This book is for 3D modelers and texture artists who are, or would like to be, working in the games, movies, product design, television, medical imaging, or advertising industries. By learning the techniques in this book you will be able to create "next gen" assets for the game industry, create realistic creatures and sets for movies, and add the fine details needed for medical images and animations. Whether you are an Environment Artist or a Character Artist there is much to learn from this book.
