Practical Pediatric and Adolescent Gynecology

Pediatric and Adolescent Gynecology

Edited by

Paula J Adams Hillard, MD, Department of Obstetrics and Gynecology, Stanford University School of Medicine, Stanford, CA, USA

The gynecologic needs of younger patients are variable and complex

Clinicians are often uncomfortable with the gynecologic concerns of young girls and developing women.

How can I put the patient at ease? What are the rights of the patient and her parents? How do I ask the questions in a way that allows her to trust me so that I can better understand her medical and social situation?

In *Pediatric and Adolescent Gynecology*, Dr Hillard has designed a new textbook that puts the patient at the center. It follows the patient's life and her changing needs as she matures. An emphasis on effective, patient-friendly encounters is the prelude to a sensitive clinical approach to intimate, potentially awkward, clinical challenges. Short, practical chapters provide guidance on the issues rather than an academic treatise.

This 'in the office' guide to effective patient care is informed by evidence-based practice and backed by a wealth of practical features:

- Algorithms and guidelines to most effective approaches
- 'Tips and Tricks' boxes so you can improve your clinical outcomes
- 'Caution' warning boxes so you can avoid complications
- 'Science Revisited' boxes give a quick reminder of the basic science principles

Dr Hillard has assembled an expert group of authors to provide straightforward guidance to caring for and reassuring your younger patients and their parents. If you provide clinical care to girls and young women then *Pediatric and Adolescent Gynecology* is designed for you.

From reader reviews:

Valerie Wright:

This Practical Pediatric and Adolescent Gynecology book is not really ordinary book, you have it then the world is in your hands. The benefit you obtain by reading this book is definitely information inside this guide incredible fresh, you will get facts which is getting deeper you actually read a lot of information you will get. This kind of Practical Pediatric and Adolescent Gynecology without we understand teach the one who reading it become critical in considering and analyzing. Don't possibly be worry Practical Pediatric and Adolescent Gynecology can bring once you are and not make your case space or bookshelves' come to be full because you can have it within your lovely laptop even telephone. This Practical Pediatric and Adolescent Gynecology having great arrangement in word in addition to layout, so you will not truly feel uninterested in reading.

Andria Miguel:

Playing with family in the park, coming to see the ocean world or hanging out with friends is thing that usually you may have done when you have spare time, after that why you don't try thing that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Practical Pediatric and Adolescent Gynecology, you may enjoy both. It is fine combination right, you still desire to miss it? What kind of hangout type is it? Oh can happen its mind hangout men. What? Still don't get it, oh come on its known as reading friends.

Brooke Fisher:

As we know that book is vital thing to add our expertise for everything. By a guide we can know everything we wish. A book is a pair of written, printed, illustrated as well as blank sheet. Every year ended up being exactly added. This publication Practical Pediatric and Adolescent Gynecology was filled with regards to science. Spend your extra time to add your knowledge about your science competence. Some people has distinct feel when they reading the book. If you know how big advantage of a book, you can experience enjoy to read a reserve. In the modern era like right now, many ways to get book that you simply wanted.

Sheila Messina:

As a student exactly feel bored to reading. If their teacher questioned them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Practical Pediatric and Adolescent Gynecology can make you experience more interested to read.
