Shadows on the Water: The Haunted Canals and Waterways of Britain (Shadows series) Allan Scott-Davies

This fascinating volume takes a look at some of the strange and unexplained hauntings reported across Britain's canal and waterways network: echoes in dark tunnels; stone steps stained red with blood spilled long ago; ghostly footsteps accompanying barges beneath a bridge... Mixing long-established ghostly tales with first-hand accounts, Allan Scott Davies presents a grisly collection of supernatural stories. From the screaming ghost near Market Drayton to the Roman soldier in Chester guarding the canal, the drowning man at Lapworth and the white lady of the Hatton flight, all is revealed with a map of locations and, for some of the more haunted sites, a guided tour map. This illustrated book is sure to delight lovers of the waterways and paranormal alike.
