The Picture of Dorian Gray and Other Writings (Enriched Classics) Oscar Wilde

Enriched Classics offer readers accessible editions of great works of literature enhanced by helpful notes and commentary. Each book includes educational tools alongside the text, enabling students and readers alike to gain a deeper and more developed understanding of the writer and their work.

The well-known artist Basil Hallward meets the young Dorian Gray in the stately London home of his aunt, Lady Brandon. Basil becomes immediately infatuated with Dorian, who is cultured, wealthy, and remarkably beautiful. Such beauty, Basil believes, is responsible for a new mode of art, and he decides to paint a portrait of the young man. While finishing the painting, Basil reluctantly introduces Dorian to his friend Lord Henry Wotton, a man known for scandal and exuberance. Wotton inspires Dorian to live life through the senses, to feel beauty in everyday experience. Dorian becomes enthralled by Wotton's ideas, and more so becomes obsessed with remaining young and beautiful. He expresses a desire to sell his soul and have the portrait of him age, while he, the man, stays eternally young. A tragic story of hedonism and desire, *The Picture of Dorian Gray* is Oscar Wilde's only published novel. Other writings include *De Profundis* and *The Ballad of Reading Gaol*.

Enriched Classics enhance your engagement by introducing and explaining the historical and cultural significance of the work, the author's personal history, and what impact this book had on subsequent scholarship. Each book includes discussion questions that help clarify and reinforce major themes and reading recommendations for further research.

Read with confidence.
