The Steward Leader: Transforming People, Organizations and Communities R. Scott Rodin
Coach. Entrepreneur. Mentor. Executive. Servant. Visionary.

Everyone has a different idea of what a leader should be. How can any one person be everything? Scott Rodin brings unity and clarity to this confusing, demanding picture of leadership. He offers a comprehensive model that brings together a biblical understanding of holistic stewardship with the best in leadership studies.

Whether in churches, not-for-profit ministries or in business the need for sound leadership is readily apparent. Drawing on his years of experience in development and fundraising and his extensive theological training, Scott Rodin offers a new paradigm--a transformational approach to leadership that is biblically sound, theologically rich and practically compelling.
