Les Krantz and Chris Smith have collected facts from a variety of sources, compiling a fascinating and insightful look into America—an up-to-date demographic profile that will include what the government forgot to ask us, such as who we sleep with, what we ingest, what we own, what we drive, when we have sex, what we tattoo on our bodies, and much more! With clever photos and captions, the book includes fifty enlightening and fun chapters covering all aspects of American life, including sporting activities, sex, edibles, education, religious beliefs, family profiles, criminal activities, body piercing, dating, driving, and net worth. *The Unofficial U.S. Census* is an engaging portrait of America, jammed with facts and fun—warts and all!
