## **Transforming Fate Into Destiny: A New Dialogue with Your Soul** Robert Ohotto

In this penetrating book, renowned intuitive, speaker, and teacher Robert Ohotto guides us on an investigation of the Heroic Journey of the Soul. Exploring three modern-day manifestations of Fate, he shows how psychic energy from family patterns, cultural influences, generational legacy, and global evolution inform our self-concept every day, and how they often block our highest potential and “Fate” us to challenging circumstances and relationships. But, he reveals, these Fated encounters are actually the keys to our un-lived life. Each chapter maps our psyche and unravels the mysterious connections of Fate, Free Will, and Destiny, transforming our Fate into Destiny and our limitations into gifts. Through this seminal work based on years of experience, discover how we’ve made two fundamental agreements with the Universe as part of our Heroic Journey—one with Fate and the other with Destiny. As we learn to dance with these two forces, they become two voices challenging and beckoning us to discover our ultimate purpose—the primary task of the modern-day Hero and Heroine; and in the process, serve to unleash the power of our Soul in delivering grace to the world.
